

Beaufort Bowls 2024

Weekly Roundup Week 1

Disappointing start to the competitive season, after some good results in friendly games we were looking forward to locking horns with Barry Romilly in the first PG division 2 fixture, however this game was postponed.

In the Mba fixture home to Blaina, there were some positive performances but overall just short of being able to get a positive result, losing the game 12 points to 2 and by 14 shots.

Many of our members start county competitions this week and I am sure they will appreciate all the support they can get if anyone would like to come along.

There are pairs matches tonight, Triples Thursday, as well as some singles here and there, check green booking page.

Wednesday we have another friendly, this time we host Rhymney Royal which should be a good chance to see how the team is measuring up as we face the West Mon champions.

Saturday is the second MBA match with a tricky game away at Llanhilleth, everyone get your names down and make it difficult for the selectors.
